

# City Wide Spirit Day!

**W.E. CARE  
FOR KIDS**  
WINDSOR ESSEX CARE  
FOR KIDS FOUNDATION

We are excited to invite all schools in Windsor-Essex to join us for a meaningful and fun event – W.E. Care for Kids' City-Wide Spirit Day on May 30th! Last year's Spirit Day was a huge success, *raising just over \$15,000* for paediatric healthcare in our community. This year, we want to build on that success and make an even bigger impact.

Spirit Day is not only a fun-filled event, but also a powerful fundraising opportunity where schools across Windsor-Essex come together to raise money for essential paediatric medical equipment and support local programs like the John McGivney Children's Centre, WETRA, Learning Disabilities Association of Windsor-Essex, and Family Respite. Each year, many local children and families have to travel outside the region to access specialized healthcare, and W.E. Care for Kids works to provide them with the critical medical equipment they need, right here at home.

By participating in Spirit Day, your school will have a chance to make a real difference in children's lives. On May 30th, students and staff can show their school spirit by taking part in fun, themed activities such as dress-down days, pajama days, or any other creative ideas your school may have. We encourage students to bring a loonie (or more!) to contribute to this great cause.

This is not just about fundraising; it's an opportunity for students to learn the value of giving back. Spirit Day will show your students the power of coming together to support others, with kids helping kids. Your school will also gain recognition for its participation, with your name proudly featured on our website, social media channels, and AM800 radio.

Together, we can make a difference in the lives of paediatric patients and their families in Windsor-Essex. We hope your school will join us in this incredible cause and be part of a growing movement to improve paediatric healthcare in our community.

If you're interested in participating or would like more information, please reach out to us at [director@wecareforkids.org](mailto:director@wecareforkids.org) or call 519-985-2608.

We look forward to partnering with your school and creating positive change together!

Thank you for your consideration.

Warm regards,  
Viki Grado, Executive Director  
W.E. Care for Kids
